**65 percent** of children entering grade school today will end up working in jobs that don't even exist yet, -Nicole Krueger

# Career Journey

“Know Thyself”- remember what our AHS teachers shared the last time we met in our advisory session?

Exploration and self-discovery are part of your decision making journey.

Your career journey continues throughout high school and into young adulthood.

Let's build on, and further strengthen, your your self-awareness and and achievements together!

# Reflection on career activity

**Students reflect on their experience:** Our student panelists will offer a few reflections on their experiences with completing the Cluster Finder and Do What You Are activities:

- What did you find most interesting about the questions or content? Results?
- Were you surprised by the results?
- Did this activity and learning more about exploratory resources in Naviance further build enthusiasm for your career journey?

# Next Steps-Career Research

## AVON High School Career Exploration Resources

**Naviance:** Naviance is a comprehensive college, career and life readiness solution that helps students explore their strengths and interests and realize their postsecondary goals, improving student outcomes and connecting learning to life.

**Roadtrip Nation (MIXED MEDIA):** Career exploration that starts with your interests. Whether you're exploring new career paths or looking for inspiration, find the guidance you need from the stories of others. You can access RoadTrip Nation through your Naviance account at: <https://student.naviance.com/avon>

**Career One Stop (MIXED MEDIA)** - they have videos on different careers and with ways to explore careers  
<https://www.careeronestop.org/Videos/CareerVideos/career-videos.aspx>

**Lab TV (VIDEO):** If you're considering a career in science, check out videos of National Human Genome Research Institute (NHGRI) scientists and post-docs who are part of a series called The Human Faces of Medical Research. LabTV, which produced the series with the National Institutes of Health (NIH), hopes the videos will encourage young people to pursue careers in science. [LabTV](#)

**Job Shadow (TEXT):** At Job Shadow you can read real interviews from people as they talk about the jobs they do and the careers they have. Job Shadow

# Human Capital-Interview others

- ❑ Utilize the people in your life, family, friends.
- ❑ People love to share what they enjoy doing, so you may learn many new things by asking others about their professional life.
- ❑ Start by asking your counselor! :)

# Next Steps-Career Journey

- ❑ Keep Exploring!
- ❑ Engage further in your academic life and with co-curricular involvement! Can you change things up- step into new role as a student (more serious and resourceful?) OR as a contributor to our school community (take a courageous step to try something new, meet with a new club?).
- ❑ Know your resources- connect in a bigger way or strengthen existing connections with others: old and new peers, and the many helpful adults at AHS!
